

THE BREAKERS REES JONES' COURSE JUNIOR GOLF PROGRAM SEPTEMBER 2009 - MAY 2010

JUNIOR GOLF ACADEMY

The John Webster Junior Golf Academy is designed to instill an overall appreciation for the game of golf, while developing golf etiquette and a foundation for playing and enjoying the game. We offer after-school programs, holiday and spring break clinics, summer camps and private instruction.

The Junior Golf curriculum will cover the following areas: full swing, putting, chipping, pitching, etiquette, rules of golf, sportsmanship, as well as on-course instruction. This well-rounded program is suited for beginner golfers, as well as those working towards a more developed competitive game. Students will experience our state-of-the-art Learning Center with indoor/outdoor hitting bays and digital video swing software, allowing them to see their swing next to the world's best players.

Junior Development
